

STARTTECH22

**Sharpen your entrepreneurial skills
by joining the UNIVERSEH
StarTech22 in Kiruna, Sweden.**

When?

10. - 14. October 2022

Where?

Luleå University of Technology,
Kiruna Space Campus, Sweden

Who?

All HHU students, interested in entrepreneurship
and space topics

What?

- A unique experience where you develop a marketable prototype/project in a multi-disciplinary and international team.
- You will go through lectures and interact with business coaches and experts to build a set of crucial skills.
- Lectures include creativity, business models, canvas, lean startup, IP, pitching and many more.
- At the end of the training, your team will pitch your project in front of a jury.

Your benefits

- Acquire entrepreneurial skills within the space environment.
- Network with other European students from our Alliance.
- Practice your language skills and learn in an intercultural environment under the supervision of special experts from different fields.

Costs for transport and accommodation are covered by UNIVERSEH.

Your application

Send your CV and a short motivation letter (max. 1 page) answering the following questions:

- Why do you want to participate in the StarTech week?
- How will the StarTech week space up your career?
- What does Europe mean to you?

Send your **application** to **universeh@hhu.de** by **16.09.2022**. **Only complete applications will be considered.**
